From the monastery you can enjoy one of the best views of *Cap de Creus*. Shortly before arriving, there are the remains of the medieval town of *Santa Creu de Rodes*, among which the church of *Santa Elena de Rodes* stands out. After the guided tour we will go to *Llançà* to visit a craft distillery where they elaborate 16 kinds of liquor, all made with herbs from *l'Empordà*. We will have the opportunity to taste some and buy. Before returning to the hotel we will make a dinner with fish *suquet* on a terrace by the sea. Hotel accommodation.
